EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Alexander Zinchuk (Reg. No. 30,541) on April 11, 2006.

The application has been amended as follows:

In claim 2, line 1, change "claim 15" to --claim 11--.

In claim 3, line 1, change "claim 15" to --claim 11--.

In claim 6, line 1, change "claim 15" to --claim 11--.

Cancel non-elected claims 7-10.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: While Birnbaum - US 2003/0159397 is particularly relevant to the claimed structure (see rejections in the First Office Action of 1/03/2006), the amended claims require that the groove sidewalls are substantially flat side walls extending substantially perpendicular to the bottom wall. As shown in Figure 2 of

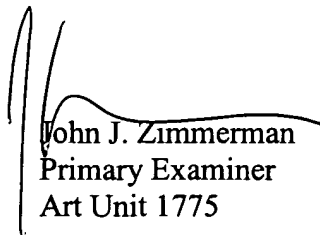

Art Unit: 1775

Birnbaum '397, the groove sidewalls are not perpendicular to the groove bottom walls and one of ordinary skill in the art would not be motivated to make these sidewalls perpendicular in view of the function of the angled sidewalls to act as a guide edge (e.g. see Birnbaum - U.S. 2004/0094681). In view of the above, the pending claims, as amended above, are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John J. Zimmerman whose telephone number is (571) 272-1547. The examiner can normally be reached on 8:30am-5:00pm, M-F. Supervisor Jennifer McNeil can be reached on (571) 272-1540.
